■ Yoga

7.30 – 9.30 am

Here is an opportunity to begin the year with an uplifting yoga experience. Five 2-hour sessions will emphasise the enjoyment of yoga. Incorporated in the practices will be: postures with breathing; stimulating sequences; meditations for life; and philosophy. All to focus the mind and strengthen and enliven the physical – with a touch of creativity!

Individual differences will be acknowledged and, in some areas where necessary, separate sessions will be offered for introductory and advanced students.

■ Creative Dance

10.00 am – 12.00 noon

Music and Dance! Solo Dancing!
Art and Dance! Ensemble Dancing!
Poetry and Dance!

Touch on all aspects of the Creative Dance in five two hour workshops.

Each day we will be conducting a theme-directed, complete dance experience, with space for advanced and beginning dancers to dance together, as well as opportunity for each dancer to explore the Dance at her/his own level.
